at the Eurythmy Room,
Emerson Waldorf School, Chapel Hill, NC 27516

Dear Friends -- you are cordially invited to attend an artistic observance and Celebration for the Unborn. This is a time in which we acknowledge that there are souls preparing to enter the earth sphere.

This is a realization of the importance of coming to understand their journey, as much as we strive to understand the journey of the so-called Dead. We are asked to awaken to the spiritual reality of souls arriving and departing the earth, and that they (we) are both engaged in furthering the evolution of the earth amid the great creative hierarchical beings of the heavens.

Join us for music, eurythmy, reading of poems and a small performance, so we can more closely remember our own journey on the earth, helping us to be mindful of our own birth and our own death as well.

This is a festival celebration to offer our love, consciousness and care to all those who are about to enter this world at this time.

We welcome you! ~ ~ ~ Kindly RSVP (eveolive1@gmail.com).
