at the Durham Friends Meeting House,
404 Alexander Avenue, Durham NC, 27705.

Dear Friends -- you are cordially invited to attend this year's artistic observance and Celebration for the Unborn ~ ~ those awaiting incarnation. We acknowledge that there are souls preparing to enter the earth sphere.

We will celebrate the soul's journey to earthly embodiment with a program of poetry, music and a presentation of eurythmy. Our contributors: Christina Beck, RongRong Ji, Eve Olive, Melody Miller, Claire Jerram, the Adult Eurythmy Class, Suzanne Mays, Daniil Kalinov, and Jenny Bingham.

Following the program we will have light potluck refreshments. And for those who wish to stay, there will be a Close of Day service offered by the Christian Community.

Come with your loving and thoughtful hearts as we continue in this tradition with all the wonder and reverence we possess.

Please park in the shared lot with the Ronald McDonald house, on the right side, which is labeled "Quaker Meeting House", or park on the street.
